Watch me grow!

Would You Care to adopt me Spiritually?

How It Works

Duration:
Pray this daily for the following months of October, November and December mirroring the time a baby spends in the mother's womb.

Naming the Child:
You may choose to give the unknown child a name to build a personal connection.

Additional Prayers:
Many participants also pray a daily Hail Mary or decade of the Rosary for the child's parents, asking God to grant them grace, courage, and peace.

Program Completion:
The spiritual adoption will conclude in December with a celebration, such as a baby shower collecting donations for our local pregnancy resource center for mothers in need.

Prayer for the Spiritual Adoption of an Unborn Child

In order to counter the propaganda for abortion, Msgr Fulton J. Sheen recommended the spiritual adoption of unborn babies. This was to be done by praying that these little ones be spared abortion, and continue to live after birth. The following prayer, said every day for the whole year, was recommended:

Jesus, Mary, Joseph, I love you very much; I beg you to spare the life of the unborn child that I have spiritually adopted, and who is in danger of being aborted.

During your earthly life, this child which you have adopted, will be known only to God, but in the hereafter, you will enjoy each other's company for all eternity.
